**PETITION TO REQUEST REPRINT OF PATENT**

Sir:

This petition is a request to reprint U.S. Patent Number 6,960,804 B1 due to two major errors on the front page of the patent. The assignee information on the front page of the patent incorrectly lists Hussman Corporation, Bridgeton, MO as the assignee. The correct assignee for this patent is **Advanced Micro Devices, Inc., Sunnyvale, CA**. In addition, the front page of the patent incorrectly lists Michael Best & Friedrich LLP as the Attorney, Agent or Firm. The correct Attorney, Agent, or Firm should be **Harrity & Snyder, LLP**.

Both of these errors were the result of printing mistakes by the U.S. Patent and Trademark Office (PTO). While the assignee understands that they could submit a Certificate of Correction to correct these errors, the assignee respectfully requests that U.S. Patent Number

**DEC 13 2005**

6,960,804 be reprinted to correct these errors due to the significant nature of these errors. In particular, the assignee information listed on the front page is very important and the assignee respectfully requests that since these errors were clearly the result of mistakes by the PTO and did not result from any mistakes by the assignee, that U.S. Patent Number 6,960,804 should be reprinted to correct these errors.

Therefore, the assignee respectfully requests that U.S. Patent Number 6,960,804 be reprinted and the front page of the patent corrected to identify **Advanced Micro Devices, Inc., Sunnyvale, CA** as the assignee and **Harrity & Snyder, LLP** as the attorney, agent or firm.

In the event that there are any fees due in connection with this Petition, the Commissioner is hereby authorized to charge any appropriate fees that may be required by this paper that are not accounted for above, and to credit any overpayment, to Deposit Account No. 50-1070.

Respectfully submitted,

HARRITY & SNYDER, L.L.P.
